SUMMARY

A strong ability to design in a way that is both bold yet thoughtful and accommodating. Able to communicate clearly and effectively whilst also capable of both giving out and receiving constructive criticism. A unique and methodical approach to problems to find the best solution. Versatile design skillset and thought process enables a strong approach to a wide range of problems. A determined desire to grow knowledge as a design professional with an interest in photorealistic 3D integration and effective motion design. Confident leadership skills proven useful in group work whilst also being capable in an individual environment.

TECHNICAL SKILLS

Technical: Adobe Photoshop, Adobe Illustrator, Adobe XD, Figma, Miro, Invision, Cinema4d, Blender, SketchUp, AutoCAD, HTML, CSS, JS, Jquery, Bootstrap

UX/UI: User-Centric Design Research, Visual Prototyping and Wireframing, User Interface Development

PROJECTS

Come trip with me? | **Link to Project**
Invite based collaborative travel planning application designed for groups. Fully customizable itineraries with user permissions. First project during the bootcamp
- Completed 5 user interviews and followed the double diamond design process up until low fi prototypes as per required deliverables.
- Figma, Miro, Invision

Trail Talk | **Link to Project**
Community driven hiking application to provide users with the most up to date trail conditions. With the aim to embody the conversation you have with fellow hikers as you pass them.
- Led a team of 3 over a 3 week period. Interviews and surveys led to a very strong ideation phase in which our key features were devised. Guerilla testing led to beneficial iterations until a final prototype was created.
- Figma, Miro, Invision

EXPERIENCE

Bunnings Warehouse; Geelong, Victoria   2016-Present
Team Member
- A focus on outstanding customer service
- Key knowledge and advice in multiple departments (Register, Hardware, Paint shop, Timberyard, Goods inwards)
- Stock management and organization.

Earls Kitchen; Whistler, British Columbia   2019-2021
Line Cook
- Fast paced and high quality cooking in a high class 500 seat restaurant.
- Manning multiple stations at once during busy periods.
- Constant quality control expectations met for both taste and presentation.
